SCHOOL & YOUTH GROUPS

Suitable for all ages our packages are perfect for any youth group including schools, cubs, brownies, scouts and sports teams.

Option 1: £6.30 per child

Play 18 holes of adventure golf on either the Rapids or Volcano Course. Ideal for school groups focused on rewarding and enriching their students, Dino Falls Adventure Golf offers the opportunity to see and learn about Dinosaurs and the prehistoric period in a way they won't forget! Playing the course takes around an hour and a half to play. This is the best option for Cub, Scout and Brownie groups.

Option 2: £9.30 per child

For a more educational focus, this package offers the use of our indoor or outdoor classroom, our Dino Falls Activity book which is packed with info, games and quizzes after you've played 18 holes of adventure golf. We suggest you allow two and a half hours to three hours for this option.

Option 3: £16.00 per child

Everything from Option two, plus have a go on our fantastic driving range. We'll provide everything you'll need for this great activity including the coaching. We suggest you allow 4 to 5 hours for this option. Lunch may be required, please bring packed lunches to eat in our classroom.

The Club House

BAR & KITCHEN

The Clubhouse Bar & Kitchen is the perfect place to grab a drink and a bite to eat either before, during or after your event. Whether it's a fuel for an important business meeting or a bottle of beer and pizza at the end of a busy week, The Clubhouse Bar & Kitchen will have an option to suit you!

Plus for a pre-payment of £100, we give you £120 to spend!

REVIEWS

“We recently held a corporate networking event at Trafford Golf and the feedback we had from the day was fantastic. We booked a coach, Charley, to help guide everyone with key tips and he was really approachable and friendly. I'd definitely recommend the package to anyone looking for a fun and informal networking event, it was great value for money.”

Growth Lending

“My team (10 of us) booked a corporate session with the Trafford Golf Centre as a team bonding event, using the toptracer driving range bays. Although our skill level was low, we all had a great time as it was set up in a very social way with challenges to compete against on the Toptracer system, and a pro on hand to give excellent tuition and hints and tips. The 90 minutes flew by and was money really well spent – many thanks for accommodating us, we'll be back!”

Bentley Motors

“Thanks again for your help in facilitating our away day – it was a great way to combine our meetings with some fun.”

Manchester United

“We recently held a corporate networking event at Trafford Golf and our team had really good time! Everything was well organised and we even had a voucher for spending on food and drinks. Everybody was friendly and welcoming which created a good environment. We would definitely like to be in touch for future events.”
